

**39th Annual Summer Workshop
July 20 through July 22, 2017**

Michael Stellern, Rockhurst University - Kansas City, MO

The 39th Annual Summer Workshop will be held in Kansas City, MO, this year from July 20 to 22. I am very pleased to be sponsoring the first joint conference between the Society of Case Research and the Global Jesuit Case Series. The workshop will begin with a dinner at 5:30 pm on Thursday and end at noon on Saturday. Kansas City is home to the Kansas City Royals, the Kaufmann Performance Center, the Nelson Art Gallery, and the Truman Library. There is so much to see and enjoy. It will be a good time.

You can fly into Kansas City, drive or take a train. We are the heart of America. There are numerous flights to get you here as well as numerous highways. It is very accessible.

Currently, there are accommodations at the Sheraton which will cost \$159 per night. That cost will remain the same whether there are one, two, three, or four per room. The hotel is on the western corner of the Kansas City Plaza. It is near fine restaurants and shopping. Transportation will be provided daily to Rockhurst.

Also, arrangements have been made to stay in the dormitories at Rockhurst. The rates are excellent and range from \$25 to \$35 per night with a \$30 linen charge. These are dormitory rooms, and they are shared facilities.

Details on how to make reservations for the conference and hotels will follow. Please visit the www.sfcr.org for updates.

I hope to have another hotel choice or two available soon.
